# Schedule of Events

## Schedule of Events

This is a multi-county event, encompassing Craig, Delaware, Mayes, and Ottawa counties. This seminar is intended to explore the changing and challenging roles of women in today's agricultural community. Please plan on joining us to gain information, support, and assistance that will help you be successful in agricultural business.

Industry leaders and top experts will be on hand to explain and answer questions regarding many decisions that women in agriculture are forced to make in today's world.

***Craig County Health Department will be giving free flu shots if vaccine is available!***
