

Supplement To
Flood Prevention
Operation and Maintenance Agreement
Dead Indian-Wildhorse Creek Watershed

Made and entered into on December 18, 1958, by and between the Soil Conservation Service, United States Department of Agriculture and the Upper Washita Soil and Water Conservation District.

Add Sites 9, 10 and 11.

Amend paragraph IV as follows:

Annual maintenance cost of the 11 floodwater retarding structures, is estimated to be \$778.00.

All other conditions of the original agreement remain the same.
